

College Planning

Invites you to a complimentary College Planning Workshop
1091 Mearns Rd, Warminster, PA 18974

Wednesday May 12th 6:30-7:30 pm

Concerned about increasing college tuition costs?

It is estimated with a 5% increase, a current \$50,000 tuition will cost:

HS Senior.....\$226,281

HS Junior.....\$237,595

HS Sophomore.....\$249,475

HS Freshman.....\$261,949

These figures are for 4 years and do not include Graduate School

ADI College Planning will help you and your student to...

- Identify the best career/job to match their attitude and aptitude
- Select the 10 best colleges that match their academic strengths
- Reduce costs 0%-30%-60%

ADI assists students, parents, and grandparents with...

- Career guidance
- Life skills development
- Improving college admissions opportunities
- Maximizing financial resources and controlling cash flow

The benefits are realized regardless of family income or assets

- Income \$25,000 - \$750,000 and above?
- Assets \$25,000 - \$2,500,000 and above?
- Class Valedictorian to C Student?
- Varsity athlete to recreational athlete?

The ADI Advantage!!

- Established Human Resource assessments and guidance
- State-of-the-art athletic development and certification
- Proven college admission and financial aid strategies

Space is limited
